Wisconsin Department of Transportation

Koehler is by far the best, I have had one for 16 years, and put fuel pump on it once, and nothing else, mine is a 15 hp and cut 2 acres weekly, and it has never used oil, the cutting is on hills too, there is one thing wrong right now, getting a lot of play in the steering, so bought an Ariens 20 hp Briggs, and its going back soon, when you start it all ...

What is better Kohler Vs. Briggs & Stratton Engines

And that pretty much matches my experience with the exception of an issue I have with a 20hp B&S recently. But mostly the topic was about the many professionals we have on this site and most other sites that refuse to ever consider a B&S. It seems the Vanguard is an exception (with the caveat that it is an outsourced Daihatsu... (if that is true)).

So why is Briggs and Stratton the last choice for a ...
