Does Mercedes-Benz have any models with a manual transmission? Back in the day, the manual transmission was the way to go. Drivers had to manually switch gears as they approached certain speeds, which of course meant they'd need to pay more attention on the road than many drivers do today.

Does Mercedes-Benz have any models with a manual transmission?

Thus, `[^a]` would match any character excluding "a". That's called complementing the set. Those escape sequence shorthands we saw earlier can also be complemented: `"\D"` means any non-number character, thus being equivalent to `[^0-9]`. The other shorthands can be complemented by, you guessed it, using the respective uppercase letter instead ...
