FIFA 21 is a great game for avid sports fans, but they cannot play it with faulty peripherals. Such would be the case with players that have been reporting controller issues when playing FIFA 21. To find out more about fixing common gaming issues, visit our dedicated Troubleshooting section .

How to fix FIFA 21 controller issues on PC

Despite being one of the shortest of the seventeen Laws of football, the offside rule, Law 11, is probably the most misunderstood of all. The law dates back to secondary schools in the 19th century, which created it to stop players "sneaking" near the opposing goal and waiting for a pass. The offside rule has changed several times since then to adjust the pace of the game, but the purpose ...
