Find a coach who has professional experience. Even if you practice rigorously, there's only so much you can learn on your own. Find someone who can help guide your training, whether it's a paid coach or a casual mentor (though you will eventually need to move to a paid coach if you really want to go pro). Expect to be challenged.

You can buy acrylics in two grades: artists' quality and students' quality. Artists' quality paints (sometimes referred to as "professional") come in a wide range of colors, have a high concentration of finely ground pigment, and boast high permanence ratings. Students' colors are cheaper, but the trade-off is a smaller selection, lower pigment levels and the possible inclusion of fillers which ...
