Learning Their Language Intuitive Communication

Facing an increasingly heterogeneous society, teachers need to be communicators. Most of human communication is nonverbal, but nonverbal behaviors are largely culture-bound. Teachers' sensitivity and understanding of students' nonverbal behaviors and their competence in sending correct nonverbal messages can make a difference in classroom interactions.

Women's rights are the rights and entitlements claimed for women and girls worldwide. They formed the basis for the women's rights movement in the 19th century and the feminist movements during the 20th and 21st centuries. In some countries, these rights are institutionalized or supported by law, local custom, and behavior, whereas in others, they are ignored and suppressed.
