Place the spine of your book along the mid section of the paper – you want to center it as best you can: Fold one long edge of the paper up, creasing with your fingers where it meets the top edge of the book: Repeat the same process on the bottom edge of the book. This is much more accurate (and faster) than measuring.

To make a book cover with a brown paper bag, start by cutting the bag open and removing any handles. Then, center the open book on the paper and draw a horizontal line along the top and bottom edges of the book. Remove the book and fold the paper in at the lines, toward the center. Put the book back on the folded paper and open the front cover.
