Although the rise of consumer culture and marketing in Britain and Europe have been studied extensively, less is known about developments elsewhere. Nevertheless, recent research suggests that China exhibited a rich history of early marketing practices; including branding, packaging, advertising and retail signage. From as early as 200 BCE, Chinese packaging and branding was used to signal ...

Labour law (also known as labor law or employment law) mediates the relationship between workers, employing entities, trade unions and the government. Collective labour law relates to the tripartite relationship between employee, employer and union. Individual labour law concerns employees' rights at work also through the contract for work. Employment standards are social norms (in some cases ...
