p.s. A follow-up to my review. After some web research regarding the Sony headphone's mechanical failure and various purchasers' efforts to get Sony to fix or replace their headphones (all without success - Sony's position being that the headphones must of been misused/abused for the yoke to break) I took it upon myself to effect my own repair.

Sony | Headphones Connect on the App Store

A: Answer I purchased these headphones for my 9 year old son and they adjust well to fit his head. They fit him snugly so I believe that they would work for younger children as well. I would recommend reinforcing the part of the wire where it splits to go to each headphone with electrical or other black tape since my kids are tough on headphones and that is normally the first thing that gets ...
