Crane trucks come with a small crane that's mounted on top of a heavy duty truck. The crane has a raisable boom (arm) that operates on a telescopic jib which expands or retracts as needed. Though they cannot lift as much as larger cranes that are stationary, truck mounted cranes are ideal for utility work and lifting small containers and ...

### **Crane Trucks For Sale | MyLittleSalesman.com**

Crane trucks are commonly used for bridgework, highway construction, buildings and much more. Since the crane is securely mounted to the truck, it is easy for workers to move the crane to and from job sites. For many construction jobs, the crane truck is a valuable piece of equipment to have.
