Metacognition is an awareness of one's own thought processes and an understanding of the patterns behind them. The term comes from the root word meta, meaning "beyond", or "on top of". Metacognition can take many forms, such as reflecting on one's own ways of thinking and knowing when and how to use particular strategies for problem-solving. There are generally two components of metacognition ...

"Like a Prayer" is a song recorded by American singer Madonna for her fourth studio album of the same name. Sire Records released it as the album's lead single on March 3, 1989. Written and produced by Madonna and Patrick Leonard, the track heralded an artistic and personal approach to songwriting for Madonna, who believed that she needed to cater more to her adult audience.
