Violence Reflections On A National

Indeed, Gilligan sees violence and crime as a medical problem, a national epidemic, not a matter of inflicting more harm as punishment. Understanding its causes says Gilligan has nothing to do with dismissing the harm done to victims - but without understanding there is no hope of putting an end to it.

Violence: Reflections on a National Epidemic: Gilligan ...

Violence: Reflections on a National Epidemic. Drawing on firsthand experience as a prison psychiatrist, his own family history, and literature, Gilligan unveils the motives of men who commit horrifying crimes, men who will not only kill others but destroy themselves rather than suffer a loss of self-respect.

Violence : Reflections on a National Epidemic by James ...

See our disclaimer. In this groundbreaking book, James Gilligan examines the epidemic foremost in the minds of most Americans--violence. As he tells the stories of the men he treated at a hospital for the criminally insane, Dr. Gilligan traces the devastating links between violence and shame. He shows how that deadly emotion drives people to destroy others and even themselves rather than suffer a loss of self-respect. Drawing on firsthand experience as a prison psychiatrist, his own family ...

Violence: Reflections on a National Epidemic: Gilligan ... A considered and well-written reflection on the reasons for violence in society, based on Gilligan's professional experience of working in America's jails. Gilligan is willing to examine issues that are largely written out of the narrative. Violence: Reflections on a National Epidemic by James

Violence Reflections On A National Epidemic James Gilligan

The real difference, or the distinction that makes a difference, is that the wealth in the other economically developed countries is less polarized. (see James Gilligan, M.D.'s Violence: Reflections on a National Epidemic on the relation between wealth inequality and violence). These countries have extensive social welfare systems that in many instances have eliminated poverty and have provided free higher education and free health care.

Beyond Non-Violence: Civil War, Whiteness, and Reflections ...

December 6th marks the anniversary of the murder of 14 women at the l'École Polytechnique de Montréal in 1989. Following this event, Canada established December 6th as the National Day of Remembrance and Action on Violence against Women, a day to reflect and take action against gender-based violence. We invite the SFU community to join us for a webinar memorial and an intergenerational conversation about the National Day of Remembrance and Action on Violence

Intergenerational reflections on the National Day of ...

On Dec. 6, 1989, 14 women were senselessly murdered at L'École Polytechnique in Montreal in a misogynistic act of violence known as the Montreal Massacre. To inspire hope, raise awareness and advocate for change to end gender-based violence, the University of Calgary observes the National Day of Remembrance and Action on Violence Against Women.
